

Masters program for Licensed Associate and Marriage and Family Therapist Licensure

Please provide the course information for any courses submitted to meet the requirements in each core content area. Please highlight each subsection of the core area(s); or please identify where on the syllabus each subsection is referenced. Embedded subject matter content may not be demonstrated in more than two courses unless they are succession courses. The Board shall allow subject matter in a course to qualify in only one core content area. A course should be at least three semester or four quarter credit hours.
