4 original document is ineffective and void unless mutually approved by the parties in writing.

5 5. The findings contained in the Findings of Fact portion of this Consent Agreement
6 are conclusive evidence of the facts stated herein between only Respondent and the Board for
7 the final disposition of this matter and may be used for purposes of determining sanctions in any
8 future disciplinary matter.

9 6. This Consent Agreement is subject to the Board's approval, and will be effective
10 only when the Board accepts it. In the event the Board in its discretion does not approve this
11 Consent Agreement, this Consent Agreement is withdrawn and shall be of no evidentiary value,

16 7. Respondent acknowledges and agrees that the acceptance of this Consent

22 in the future relating to this matter or other matters concerning Respondent, including but not
23 limited to violations of Arizona's Consumer Fraud Act. Respondent acknowledges that, other
24 than with respect to the Board, this Consent Agreement makes no representations, implied or

7 constitutes unprofessional conduct pursuant to A.R.S. § 32-3251(16)(n) and may result in
8 disciplinary action pursuant to A.R.S. § 32-3281.

9 10. The Board therefore retains jurisdiction over Respondent and may initiate
10 disciplinary action against Respondent if it determines that they have failed to comply with the
11 terms of this Consent Agreement or of the practice act.

12 The Board issues the following Findings of Fact, Conclusions of Law and Order:

13 **FINDINGS OF FACT**

14 1. Respondent is the holder of License No. LMFT-15390 for the practice of
15 marriage and family therapy in the State of Arizona.

16 2. At its 06/09/23 Board meeting, the Board reviewed a complaint against
17 Supervisee alleging she had been operating an unlawful private practice without Board
18 approval.

19 3. Throughout Board staff's investigation into this complaint against Supervisee, it
20 was noted that Respondent had provided clinical supervision to Supervisee during the
21 timeframe Supervisee was illegally operating Private Practice.

22 4. At the conclusion of the 06/09/23 meeting, the Board found Supervisee in
23 violation of unprofessional conduct for operating Private Practice illegally from 04/21 – 02/23

24 5. From 08/20 – 05/21, Respondent provided clinical supervision to Supervisee.

25 ...

1 6. Despite Respondent not signing an official clinical supervision agreement, she
2 developed one and only Respondent signed the supervision agreement.

3 7. Respondent represented the following during Board staff's investigation:
4 a. Respondent was aware Supervisee wanted to get into private practice.
5 b. Respondent thought Supervisee was discussing clients from Agency during
6 supervision where Supervisee was working as a guidance counselor.
7 c. Respondent never reviewed any clinical documentation for any clients
8 because she was never trained to review clinical documentation.
9 d. Respondent redirected Supervisee to the Board to inquire about exemptions
10 to the site visit for Supervisee's potential private practice.

11 8. A 03/26/20 email from Supervisee to Respondent clearly indicates Supervisee
12 was seeking an off-site supervisor to fulfill hours in a private practice setting where she would
13 see clients after work and on weekends while maintaining full-time employment the reservation.

14 9. Respondent does respond directing Supervisee to contact the Board with
15 questions around regarding the 03/26/20 email.

16 10. On 06/02/21, Supervisee emailed Respondent documentation for Supervised
17 Private Practice for Respondent to complete and Respondent represents she redirected
18 Supervisee to ask the Board about any exemption for the 60-day site visit requirement.

19 11. Respondent represents she thought she was supervising Supervisee's clients at
20 Agency when in fact a supervision note dated 05/07/21 discusses a client and his wife coming
21 to a future session together, clearly indicative that this was not a student at Agency.

22 12. Respondent is on the clinical supervisor registry as a Board approved supervisor
23 and Board staff notes the following concerns and issues:

24 a. The clinical supervision records did not meet Board requirements.

25 ...

- 1 b. Supervisee was not providing psychotherapy services at Agency if that is
2 where the clinical supervision was occurring.
- 3 c. Respondent failed to review any clinical records or files which is a
4 requirement of clinical supervision.
- 5 d. The intent with this clinical supervision was for Supervisee to submit the
6 hours accrued for her independent license at a later time.
- 7 e. Respondent completed numerous CEUs in order to become a registered
8 clinical supervisor on the Board's clinical supervisor registry which included
9 the Board's clinical supervision tutorial which clearly covers requirements of
10 clinical supervision, including a review of clinical documentation.
- 11 f. Respondent represented she was not aware of Board rules regarding
12 supervision and indicated she did not review clinical documentation since that
13 is not a requirement of clinical supervision in Pennsylvania where she holds a
14 license as well.

15 13. Supervisee in fact represented that she was under the impression Respondent
16 was providing clinical supervision at Private Practice.

17 14. From 08/20 – 05/21, Respondent provided insufficient clinical supervision to
18 Supervisee while Supervisee was actively operating an unlawful private practice while the intent
19 was to submit hours for Supervisee's independent license.

20 **CONCLUSIONS OF LAW**

21 1. The Board has jurisdiction over Respondent pursuant to A.R.S. § 32-3251 *et seq.*
22 and the rules promulgated by the Board relating to Respondent's professional practice as a
23 licensed behavioral health professional.

24 ...
